DOWNTOWN CHARLOTTESVILLE

Main Street, Charlottesville
Foundation Phone: (434) 296-8548,
Fax: (434) 971-9372
Email: downtown@cvilleddowntown.org

For a unique visitor and community experience, tourists should not miss the Downtown Mall. Our Downtown Mall is one of the most beautiful and successful pedestrian malls in the nation, and it's located in historic downtown Charlottesville. The

Downtown Mall is a vibrant collection of more than 120 shops and 30 restaurants (many with outdoor cafes) housed in the historic buildings on and around old Main Street. This shopping center is at the heart of downtown Charlottesville and offers primarily specialty shops and restaurants on a brick walk-way amid old brick buildings. An ice skating rink and movie theater complex offer entertainment for those people less inclined to shop or you might simply relax under magnificent trees along the red bricked mall. Many days and most Friday evenings you can catch street performers all around the Downtown Mall.

From April to October, the Charlottesville Downtown Foundation sponsors Fridays After Five™, a free concert series held every Friday evening. After shopping and listening to live entertainment, visitors can take a free trolley to tour the Rotunda at UVA. or continue to shop at "The Corner". For more information on the downtown mall visit: www.cvilleddowntown.org

MICHIE TAVERN

683 Thomas Jefferson Parkway (HWY 53), Charlottesville
Phone: (804) 977-1234, Fax: (804) 296-7203, E-mail: info@michietavern.com

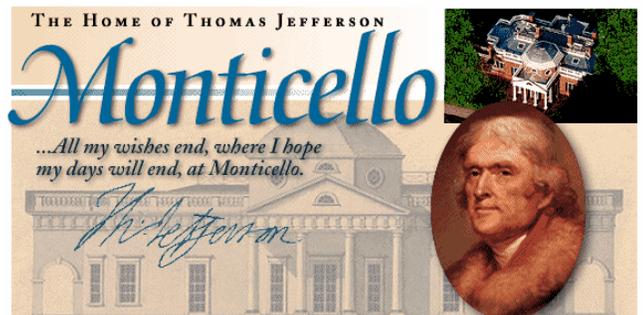

Michie Tavern has welcomed travelers for more than 200 years and the tradition continues with tours through the ca. 1784 tavern, and offerings of traditional homemade southern fare in their restaurant. For more information visit their website at: www.michietavern.com

MONTICELLO

Located on HWY 53/ Thomas Jefferson Parkway
Phone: 984-9800 (recorded visitor information)

Monticello is the home of Thomas Jefferson, third president of the United States and is the only house in America on the United Nations' prestigious World Heritage List. While in Charlottesville you must explore Jefferson's mountaintop home, gardens, and plantation and see for yourself why this is considered an "international treasure". For more information visit their website at: www.monticello.org

MONTPELIER

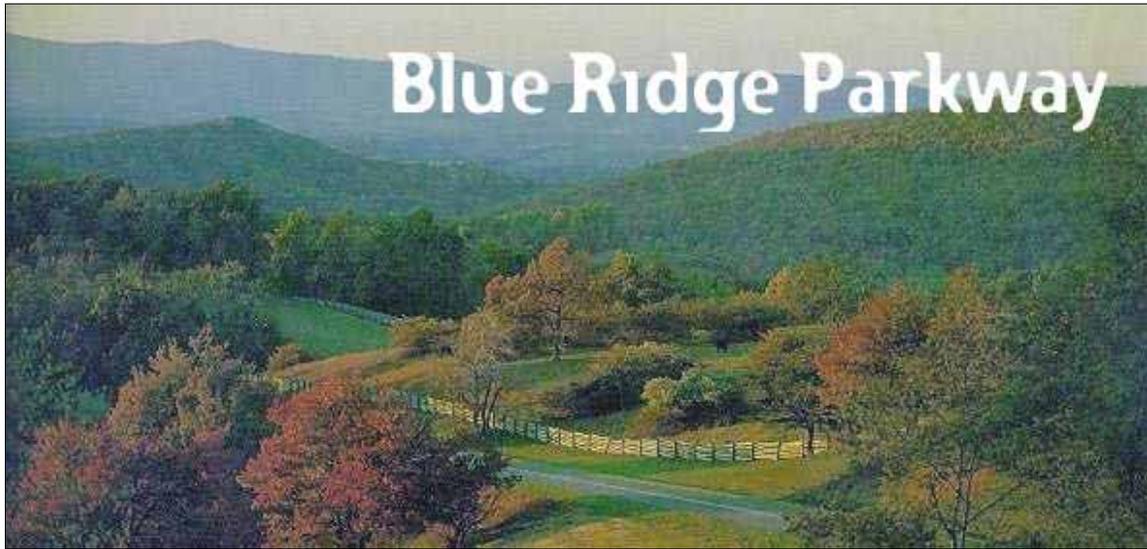

11407 Constitution Highway
Montpelier Station, Virginia 22957
(540) 672-2728, e-mail: education@montpelier.org

From Charlottesville, (About 45 minutes)
Take Route 29 north to Ruckersville, take a right onto Route 33 east. At Barboursville, take a left onto Route 20 north towards Orange. Go about 8 miles, the Montpelier Visitor Center is on the left.

Montpelier, the life-long home of James Madison, fourth President and "Father of the Constitution" is a beautiful place to visit. Montpelier offers something for everyone; from historic tours of the estate, to horse racing and hayrides. For additional information and schedules visit the website at: www.montpelier.org

SKYLINE DRIVE/BLUE RIDGE PARKWAY

Take Route 250 or I-64 west. Skyline Drive and Blue Ridge Parkway meet at the top of a mountain pass (Rockfish Gap) west of Charlottesville.

The Blue Ridge Parkway travels 217 miles through the Commonwealth of Virginia, allowing visitors to travel from its beginning at the southern end of the Shenandoah National Park to the North Carolina border. On the

Parkway you will see such a variety of countryside, dipping from ridge top to valley floor and from there proceeding through pastoral rolling farmland. The Parkway is particularly beautiful in the spring when the redbuds and dogwoods are blooming and in the fall as the leaves are changing color.

For more information go to: <http://www.nps.gov/blri/home.htm> or <http://www.nps.gov/shen/2a.htm>

Charlottesville
Parks and Grounds

Our City is a Park

Azalea Park

Park hours are 6AM to 9PM.

Azalea Park consists of 23 acres of level land located off Old Lynchburg Road at the southern edge of the City near Interstate 64. The City secured the land in two acquisitions from the Bellmead Corporation in 1965. On the north side of the property are trees and natural buffers which separate the park from neighborhood homes. On the south side is Moore's Creek, which adds to Azalea's unusual charm as it winds its way along the entire length of the park. There are two paved parking areas and recreational facilities include Junior League softball field, a concession stand, basketball courts, swing sets, and playground. There is a stepping stone ford to the Rivanna Trail system at the south end of the community gardens. There are 2.5 acres of garden plots which are rented to area residents. For information on renting a plot, call (434) 970-3592. A fenced-in area is provided for off-leash dog activities. Dogs must remain under voice control. Dog owners need to clean up after their dogs; a plastic bag dispenser is provided for cleaning up dog waste.

Fifeville Park

Park hours are 6AM to 9PM

Fifeville Park is a neighborhood park of only 0.66 acres located within Grove Street, Spring Street and King Street. The land for the park was a gift of H.W. Walsh and five other trustees who in 1949 formally set it aside for the residents of the Fifeville District. The fenced-in park land rises above the surrounding streets and contains a basketball court, a shelter and playground. Dogs are allowed off-leash but must remain under voice control. Zone 7 Permit Parking is available on the street.

Greenleaf Park

Park hours are 6AM to 9PM

Greenleaf Park consists of 14 acres of grassy hillsides with hardwood and evergreen trees in a fenced-in area. It is located on Rose Hill Drive at Greenleaf Lane and off-street parking is provided. The land was part of McIntire Park until the construction of Route 250 Bypass cut it off from the rest of the park. At that time it became a neighborhood park with its own identity. Greenleaf offers a playground area, summertime spray shower, a picnic shelter with restrooms, and a half-basketball court. An Interpretive Trail Guide is available at the brochure box to help you identify trees. Dogs are allowed off-leash but must remain under voice control.

Lee Park

Lee Park contains all of the land bounded by Jefferson Street, First Street N.E., Market Street and Second Street N.E. The land was donated to the City by Paul Goodloe McIntire in memory of his parents in 1917 to be used as a public park. Dominating the park at its highest point stands an imposing equestrian monument to Robert E. Lee. The statue was conceived by Henry M. Shradly, completed by Leo Lentelli, and presented by Mr. McIntire to the City in 1924. The 1.04 acres of raised land provides a pleasant lunchtime oasis in the downtown area, with many benches, a number of checker/chess tables, and colorful flowers and shrubbery. Lee Park, as well as Jackson Park, are part of the Virginia Civil War Trails. Both parks also host the annual Governor Jefferson's Thanksgiving Festival with Revolutionary era re-enactments and displays.

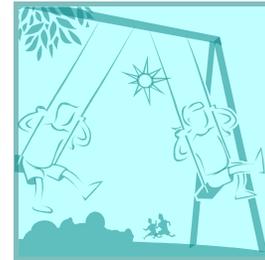

Meade Park

The park is open 6AM to 9PM

Meade Park is located at the corner of Meade Avenue and Chesapeake Street and is 5.2 acres in size. Meade is best known for Onesty Swimming Pool. The pool beautifully overlooks a stream dotted with weeping willows. The pool opened to the public in 1975 and is named in honor of Louis A. Onesty, known as the "Father of Swimming" in Charlottesville for his selfless dedication to the City's youth swimming programs. The complex includes a large lighted outdoor pool, wading pool, showers, restrooms and locker facilities. The park also has a playground, basketball court, a non-official softball field and a picnic shelter. Dogs are allowed off-leash but must remain under voice control. Off-street parking is provided.

Pen Park

Pen Park, which borders East Rio Road, is often referred to as the "gem" of the City park system. Pen Park is the largest park in the City and it is from this park that Park Street takes its name. Although it is a relatively young recreational area, the park offers excellent leisure facilities. This area of land has kept its name for more than 200 years; by 1979 the city acquired the last of the park's 280 acres. In addition to sweeping vistas of mountains and open rolling land in all directions, the park offers recreational opportunities for all ages. There are 8 tennis courts, a Little League baseball field, batting cage, volleyball court, 3 outdoor picnic shelters, and a playground for children. There is the 9-hole Meadowcreek Golf Course with clubhouse and pro shop and an outdoor physical fitness course with 20 exercise stations winding through the natural setting toward the Rivanna River and back. This course has been adapted for the blind and handicapped, as well as non-handicapped individuals of all ages to use. Dogs are allowed but only on-leash in the park (and are not allowed on the golf course). City code requires dog owners to clean up after their dogs; a dispenser/receptacle of plastic bags for cleaning up dog waste is available at the start of the Fitness Trail

Rives Park

The park is open 6AM to 9PM

Rives Park is a neighborhood park, 4.3 acres in size, consisting of flat open space with a view of Carter's Mountain in the distance. It is located on Rives Street between Monticello and Florence Roads, near Quarry Park. Featured here are a half basketball court, a softball field, a shelter and playground equipment. Dogs are allowed off-leash but must remain under voice control. Off-street parking is available.

Tonsler Park

The park is open 6AM to 11PM.

Tonsler Park is one of the busiest parks in Charlottesville. Its location on Cherry Avenue at 5th Street S.W. is in close vicinity to the neighborhood supermarket and other commercial establishments which makes it a popular place to congregate. Small children, teenagers and families gather to enjoy the recreation center, tennis courts, life-size chess board, lighted basketball courts, softball/soccer fields, large sprinkler shower and extensive playground equipment. Originally acquired in 1946, by 1978 the park was expanded to its present size of 7.4 acres. The park is named after Benjamin Tonsler, a local educator during segregation. Dogs are allowed off-leash but must remain under voice control. Off-street parking is provided by the tennis courts and in front of the recreation center.

Bailey Mini-Park

Bailey Mini-Park is a small, quaint landscaped area located at the corner of U.S. 250 Bypass and Hillcrest Road. A park bench and tall trees offers a shady location for lunch to those within walking distance of the park. The 0.33 acres of land were given to the city by Jon Bailey in 1979 to be used as a park dedicated to the memory of his parents,

Annie Mae and Tilly Bailey. There is no adjacent parking available but there is limited on-street parking in the neighborhood.

Forest Hills Park

The park is open 6AM to 9PM

Lofty oak trees and a magnificent view of Carter's Mountain highlight the 7.35 acres of rolling land which make up this popular park, which was originally known as Forest Park. Located on Forest Hills Avenue, the City acquired the property from J. Hubert and Dorothy Carver in 1955. Today there are extensively developed activity areas for individuals of all ages. A Little League baseball field and a concession stand lie at the lowest end of the site near the paved parking area. On the hillside slopes nearby are a number of picnic facilities, including a picnic shelter and outdoor grills. On the promontory ridge is an abundance of playground equipment, including slides, swing sets, a merry-go-round, animal rockers, and a horseshoe pit. At the head of the valley is a large flat area containing two full basketball courts and two wading pools with a swing set. Dogs are allowed off-leash but must remain under voice control.

Jackson Park

Park hours are 6AM to 9PM

Jackson Park consists of 0.4 acres and includes all of the property bordered by Jefferson Street, Fourth Street N.E., High Street and the Albemarle County Court Building. This property, once known as "McKee's Row", was deeded to the City by Paul Goodloe McIntire in 1919 to be used as a park. A narrow lane which once ran between the County Court Building and the park property was called McKee's Lane. A large equestrian monument of Thomas Jonathan "Stonewall" Jackson, by Charles Keck, is the focal point of the park. The monument was presented by Mr. McIntire as a gift to the city in 1921 and is ranked as one of the three best equestrian statues in the world. The park also contains well-maintained flower beds and a number of benches. Jackson Park, as well as Lee Park, are part of the Virginia Civil War Trails. Both parks also host the annual Governor Jefferson's Thanksgiving Festival with Revolutionary era re-enactments and displays. Dogs must be kept on-leash.

McGuffey Park

The park is open 6AM to 9PM

This delightful little park of 1.1 acres sits atop a hill next to the McGuffey Art Center at Second Street N.W. and Jefferson Street. In 1945, this land was donated by the City to the Charlottesville School Board; in 1974, the School Board gave the land and adjoining school back to the city as a gift to become the McGuffey Art Center and to form McGuffey Park. Park facilities include half-court basketball, playground and benches. Dogs must be kept on leash. Parking is available on the street.

Meadowcreek

Originally acquired in 1963 as a park, Meadowcreek has since evolved into a set of 73 community garden plots where residents can rent space to grow flowers and vegetables. The remainder of the 20

acre park has been left undeveloped. The gardens are located off Morton Drive near the intersection of Emmet Street and U.S. 250 Bypass behind the English Inn. Meadow Creek meanders through the woods along the entire southeastern portion of the park. For information on renting a plot, call (434) 970-3592.

Quarry Park

The Park is open 6AM to 9PM.

The 9.1 acre Quarry Park is located off of Monticello Avenue/Route 20 South on Quarry Road at the southern edge of the city. Two Little League baseball fields, a concession stand with restrooms and two soccer fields comprise the recreational amenities. Off-street parking is also provided. The park has views of the nearby mountains and derives its name from the road that once led to an old stone quarry. Quarry Park is part of the Rivanna Trail, a system of foot trails in and around the City and maintained by the non-profit Rivanna Trails Foundation. Dogs are allowed off-leash but must remain under voice control.

Rothwell Park

The smallest park in Charlottesville at only 0.1 acre, Rothwell Park is located at the corner of Ninth and East Market Streets, next to the Downtown Recreation Center. The property is comprised of three acquisitions made by the City from various owners between 1960 and 1971. The City built the park with the assistance of the Blue Ridge Home Builders Association as a memorial to Mr. Stuart Rothwell. In the center stands an historic water trough, one of four the City installed during the latter half of the 1800s. This particular ornamental trough originally stood at the south end of Belmont Bridge and was designed to provide water for horses and dogs as well as for people.

Washington Park

The park is open 6AM to 9PM

Washington Park contains only 9.25 acres but remains one of the most heavily used parks with a multitude of facilities for individuals of all ages. It contains 3 lighted basketball courts, a lighted outdoor pool with a wading area and bath house, a recreation building with restrooms and a playground area. The sloping land drops suddenly and spectacularly to a level plain far below where a regulation softball field, a basketball court and a multi-use field are located. The land was deeded to the City in 1926 by Paul Goodloe McIntire to be used as a public park and playground. The new playground and picnic shelter were given to the City by the Dave Matthews Band. The drainage, seeding and grading for the third phase of the Washington Park renovations were funded by a generous grant by the Perry Foundation. Dogs are allowed off-leash but must remain under voice control. Dog owners are required by city code to clean up after their dogs; a plastic bag dispenser is provided for cleaning up dog waste. There are parking lots at both upper and lower levels.

Belmont Park

Park hours are 6AM to 9PM.

One of the finest neighborhood parks in the City, Belmont Park is bounded by Stonehenge Avenue, Rialto Street and Druid Avenue. The 3.1 acres of land were bought by Paul Goodloe McIntire in 1921 and he transferred the property to the City to be used as a park and playground for local citizens. The park contains a full basketball court, benches, swing set and slides, large shady oak trees and a courtyard with shelter for outdoor concerts such as the Annual Belmont Bash. Dogs are allowed off-leash but must remain under voice control. Parking is available on the street.

Greenbrier Park

The park is open 6AM to 9PM

Greenbrier Park consists of 28.3 acres of undeveloped area located in the Greenbrier neighborhood with walking/biking trails along Meadow Creek. Enjoy the view of sycamore groves, a meadow and Greenbrier Marsh, believed to be one of only two such natural marshes in the Virginia Piedmont region. A footbridge spans the creek; many neighborhood school children use this footbridge to walk to Greenbrier School. Greenbrier Park was deeded to the City by the Greenbrier Corporation in 1965. The park is part of the Rivanna Trail system, a set of trails in and around the city maintained by the non-profit Rivanna Trails Foundation. Dogs are allowed off-leash but must remain under voice control. Parking is available on nearby streets.

Jordan Park

The park is open 6AM to 9PM.

Jordan Park, a neighborhood park consisting of 3.1 acres, was acquired in 1971 and is located at the south end of 6th Street S.E., and borders Moore's Creek. The park has a basketball court, playground, grill and picnic tables. Dogs are allowed off-leash but must remain under voice control. Parking is available on the street.

McIntire Park

Park hours are 6AM to 10PM

McIntire Park contains land originally donated by Paul Goodloe McIntire and continues to be one of the most popular parks in the City. Located off of U.S. Route 250 Bypass, it features rolling land with magnificent views of the mountains to the east, a heavily wooded area with steep and varied topography and winding streams. There is a major community focus on the lighted softball fields, baseball field, and the three shelters which are used extensively from spring to fall. In April every year McIntire Park hosts the carnival for the Annual Dogwood Festival. In the southeastern half of the park, to the east of the railroad tracks, lies a nine-hole sand green golf course. This section of the park has its own parking lot and offers a playground and wading pool. McIntire park was originally larger than its current size. The construction of the bypass ran through the park, with one section becoming what is now Greenleaf Park. Another section, at the northeast end of McIntire Road near the rescue squad, initially became tennis courts and more recently has been converted into a skateboard park. Dogs are allowed off-leash in

the park (but not the golf course) and must remain under voice control. There are separate entrances to the three major parts and parking is available at each.

Northeast Park

The Park is open 6AM to 9PM.

Northeast Park is a 4.8 acre neighborhood park acquired in 1975 and is located at the corner of Sheridan Avenue and Calhoun Street. There is a full basketball court and playground facilities. A footbridge connects the park to Marshall Street. A grill and picnic table are available. Dogs are allowed off-leash but must remain under voice control. Parking is available on the street.

Riverview Park

The park is open 6AM to 9PM.

Riverview Park is located at the end of Chesapeake Street at the eastern city limits and consists of 26.6 acres bordering the river. This land was donated by Riverview Cemetery in 1974 for use as public space and by 1989 it was renovated into a park. With a large paved parking area, kiosk, playground, grill, two benches and an open field, this park is ideal for picnickers and families. The adjacent Rivanna Greenbelt trail provides opportunities for walking, jogging, bicycling, fishing or simply observing wildlife. Dogs are allowed off-leash at this park provided that they remain under voice control. City code requires owners to clean up after their pets! A dispenser/waste receptacle near the kiosk provides dog owners with plastic waste removal bags for this purpose.

Rivanna Greenbelt

The Rivanna Greenbelt is a handicapped-accessible paved trail that starts at Riverview Park and meanders north about 1.25 miles to Free Bridge / Route 250 East (at the base of Pantops) along the Rivanna river. The Greenbelt is actually a public right-of-way across private property but it is maintained by Parks and Grounds; please respect the adjacent private property by staying on the trail. The Greenbelt is also part of the Rivanna Trail, a pedestrian trail system that encircles the City and which is maintained by a private non-profit foundation.

Starr Hill Park

The park is open 6AM to 9PM.

A small neighborhood park of only 0.4 acres, Starr Hill Park is located at the corner of 7th Street N.W. and Elsom Street. Acquired in 1980, it previously featured playground equipment, but currently it is an open field. There is limited public parking nearby. Dogs must be kept on-leash.

RESTAURANTS

Charlottesville is home to an array of restaurants, sure to please all tastes. While some offer billiards and live entertainment, others entice tourists and locals with upscale dining. For a taste of student life, stop by the shopping strip known as "The Corner" for some college cuisine. Coffee shops, bars, and delis are well represented in this dining area, but many places offer sit-down meals. Many nationally known fast-food chains reside in Charlottesville, especially on Emmet Street, which serves as one of the main roads through the city. For upscale appetites, local vineyards just outside the city offer tours and wine tastings. Other upscale establishments are scattered throughout the city. The list below is not a complete list of all of the eating establishments that Charlottesville and this area has to offer. Explore the area for even more choices and have fun trying out the different tastes of Charlottesville!

SCHOOLS

While Charlottesville is home to the nationally acclaimed University of Virginia, the area offers a variety of schools that maintain the area's tradition of excellence.

The city offers seven elementary schools, one middle school, and one high school. The county schools provide 15 more elementary schools, five more middle schools, and three more high schools. The city and county school systems operate independently of each other and enroll over 15,000 students.

With 22 private schools to choose from, parents who want to send their children to private schools have a plethora of options. Secular and non-secular private schools accommodate students of all ages. The area also has schools for challenged students with special needs.

Local students can continue their educations at Piedmont Virginia Community College and the University of Virginia, both of which blend quality educations and convenience. Piedmont Virginia Community College offers general education, college preparatory programs, and continuing education. The school, which is in its 26th year of service, enrolls about 7000 students every year. Each of these students have the option of getting involved with the local business community through worker-training and re-training programs.

The University of Virginia, one of the top institutions for higher education in the nation, is another option for higher education in the area. Enrolling over 12,000 undergraduate, graduate, and professional students each year, the school blends the energy of a large university with the intimacy of strong faculty-student relations. The faculty has won awards for research in fields like the environment, medicine, education, and nursing. With seven libraries and several top-ranking professional schools, the University of Virginia lives up to the standards of its founder, Thomas Jefferson.

SHOPPING CENTERS

Charlottesville is a haven for shopping, not only for residents, but tourists alike. With hundreds of stores, residents and visitors have ample opportunity to shop for anything they need.

The list of shopping centers to follow may not include all shopping centers in the Charlottesville area, nor all of the shops in each shopping center.

Every effort has been made to make the list as accurate as possible, but with such a large number of shops, an error is inevitable. If you find something that is not included please don't hesitate to contact us.

DOWNTOWN MALL

The Downtown Mall is a vibrant collection of more than 120 shops and 30 restaurants (many with outdoor cafes) housed in the historic buildings on and around old Main Street. This shopping center is at the heart of downtown Charlottesville and offers primarily specialty shops and restaurants on a brick walk-way amid old brick buildings. An ice skating rink and movie theater complex offer entertainment for those people less inclined to shop or you might simply relax under magnificent trees along the red bricked mall.
