FOR THE COURT:

Acting Clerk of Court

¹ Judge ARGUELLES decided this case while on active duty.

² The Statement of Trial Results, as incorporated by reference in the Judgment of the Court, incorrectly reflects a date range of “between on or about 8 April 2024 and on or about 17 April 2024” for Specification 5 and Specification 6 of The Charge, which were both dismissed as part of appellant’s plea agreement. In accordance with the charge sheet, both specifications should reflect a date range of “between on or about 12 April 2024 and on or about 17 April 2024.”
