DECISION

Per Curiam:

On consideration of the entire record, including consideration of the issues personally specified by the appellant, we hold the findings of guilty and the sentence, as entered in the Judgment, correct in law and fact. Accordingly, those findings of guilty and the sentence are AFFIRMED. [1] [2] [3]

FOR THE COURT:

. HERRING, JR.
Clerk of Court

[1] The Judgment of the Court is corrected to accurately reflect the date of the post-trial action of the Convening Authority Action as "2 Aug 24."

(continued . . .)

(. . . continued)

[2] The Judgment of the Court is corrected to reflect "20240345" as the "ACCA Case Number."

[3] Block 31 of the Statement of Trial Results, as incorporated into the Judgement of the Court, was incorrectly marked "Yes" and should reflect a response of "No." In accordance with United States v. Williams, 85 M.J. 121 (C.A.A.F. 2024), we lack the authority to modify Block 31. We do, however, note the discrepancy for the record.
