

FY 15 – FY19 JAGC AC COL Promotion Selection Board Primary Zone Forecast

FY	DOR in ZONE	PROMOTION OPPORTUNITY
FY15	2010 05 01	54.8%
FY16	2012 02 17	45-55%
FY17	2012 05 01	45-55%
FY18	2013 03 15	45-55%
FY19	2014 11 01	45-55%

NOTES:

1. JAs with Dates of Rank (DORs) on or before the listed date will be in the Primary Zone (PZ) or Above the Zone (AZ).
2. Zones may shift based on the needs of the Army and/or the JAGC. Officers near the top or bottom of a zone should always be prepared to move into an earlier zone or be bumped into a later zone. PPTO will notify officers as soon as possible when such changes occur.
3. Promotion opportunities vary based on the needs of the Army and changes in JAGC authorizations and on-hand strength. Greater or less-than-normal attrition could result in changes to the zone and/or the promotion opportunity.
4. The FY15 Board is projected to have 31 JAs in the PZ with 17 total selections. Changes to the size of the PZ prior to the board convening may result in changes to the selection number and/or selection rate.
