[United States v. Hussein, 351 F.3d 9, 2003 U.S. App. LEXIS 22335](#) (1st Cir Oct. 30, 2003).

Overview: *Defendant's conviction was affirmed; while statutory provisions could have been more clear, regulating khat by name in addition to regulating its active chemical ingredient, they sufficed to give defendant fair warning that his conduct was illegal.*

- The Drug Enforcement Administration (DEA) regulations provide that any material, compound, mixture, or preparation which contains cathinone is itself a Schedule I controlled substance and is subject to the same prohibitions as the chemical itself. [21 C.F.R. § 1308.11\(f\)\(2\)](#). [21 C.F.R. 1308.14\(e\)](#) declares that any

material, compound, mixture, or preparation containing cathine is a Schedule IV controlled substance and treated similarly. [Go To Headnote](#)

[United States v. Hussein, 351 F.3d 9, 2003 U.S. App. LEXIS 22335](#) (1st Cir Oct. 30, 2003).

Overview: *Defendant's conviction was affirmed; while statutory provisions could have been more clear, regulating khat by name in addition to regulating its active chemical ingredient, they sufficed to give defendant fair warning that his conduct was illegal.*

- The Controlled Substances Act (CSA) makes it illegal for any person knowingly to possess a controlled substance with intent to distribute. [21 U.S.C.S. § 841\(a\)\(1\)](#). For the purpose of this statutory scheme, a "controlled substance" is one listed in Schedules I through IV of the CSA. [21 U.S.C.S. § 802\(6\)](#) defines "controlled substance" and [21 U.S.C.S. § 812](#) codifies the schedules. Neither cathinone nor cathine appear in any of the schedules. But Drug Enforcement Administration (DEA) regulations -- promulgated after passage of the CSA and published in the Code of Federal Regulations -- have expressly classified cathinone as a Schedule I controlled substance, [21 C.F.R. § 1308.11\(f\)\(2\) \(1993\)](#), and cathine as a Schedule IV controlled substance, [21 C.F.R. § 1308.14\(e\) \(1988\)](#). These accretions have the force of law. [21 U.S.C.S. § 811\(a\)](#) authorizes the Attorney General to add substances to the CSA schedules and [28 C.F.R. § 0.100\(b\)](#) delegates that authority to the DEA. [Go To Headnote](#)
